SUMMARY

Computer Science student experienced in web development, working on front-end and full-stack applications with React, Next.js, Vite.js, and Tailwind CSS. Also proficient in UI/UX design using Figma, with growing experience in C++, C#, Java, Kotlin, and Python, as well as a strong foundation in programming and computer science fundamentals.

EDUCATION

- **Bachelor in Computer Science** Feb. 2025 – Present
UNESP - State University of São Paulo (Bauru)
Expected 2028
- **High School and Training Course in Exact Sciences** Jan. 2022 – Dec. 2024
Embraer Juarez Wanderley High School (São José dos Campos, SP)

EXPERIENCE

- **Project CapyMind** Jan. 2025 – Mar. 2025
Mobile Developer and UI Designer
Volunteer
 - Mobile application for providing psychological assistance to high school students;
 - Designed over 10 screens for the app in Figma and developed the Android front-end using Kotlin and Jetpack Compose;
 - Conducted user surveys and analysis with high school students to identify their mental health support needs, directly shaping the app's features and information architecture.

PROJECTS

- **Tabletop RPG Character Sheet and Dashboard** *In development*
 - Building a customizable, automated character sheet and campaign dashboard for tabletop RPG sessions;
 - Built with React, Vite.js, Tailwind CSS, TanStack Router, and Firebase Data Connect;
 - Integrated WebSockets to support real-time updates and interaction between players.

SKILLS AND INTERESTS

Programming Languages: TypeScript/JavaScript, HTML/CSS, C, C++, C#, Java, Kotlin, Python

Libraries and Frameworks: React, Next.js, ViteJS, TailwindCSS, Jetpack Compose

Backend and Databases: Node.js, Relational Databases (PostgreSQL), Firebase, Supabase

Tools: Git, Github, Figma, Microsoft Office (Word, Excel, PowerPoint)

Areas of Interest: Web Development, UI/UX Design, Web Design, Game Development
Soft Skills: Problem-solving, Self-learning, Adaptation

LANGUAGES

English – Fluent (C2) | *Certified by Oxford Test of English (2024)*
Brazilian Portuguese – Native
